

Inderkum High School Music Boosters

To Our Proud Parents, Guardians, and Sponsors:

The Inderkum High School Music Program is proud of its rich tradition of excellence. We feel we have the best students who therefore deserve the best quality. As a music program, we are always looking for ways to encourage musical growth and to provide various performance experiences for our students.

Our school district has many financial responsibilities as well as a rich history of supporting the music program here at Inderkum High School. Unfortunately, our programmatic needs far exceed the financial support they can offer. Therefore, we must assume responsibility for some of our expenses. At a time where budgets are being trimmed, there is an increased awareness for outside support in order for our music program to continue providing quality musical education.

Your sponsorship efforts help support:

- Sponsor Music Students in Needed Equipment
- Purchase of New Music
- Guest Clinicians
- Sponsor/Provide Meals at Festivals or Band Reviews
- Private Lessons
- Social Activities
- Trips (Local and Overnight)
- Transportation Costs
- Supplies for Conductors
- Equipment/Instruments
- Uniforms and Under Armor

Academic instrumental music itself is set upon the foundations of team work, support for the general cause, and expression of oneself by generosity. Your support at this time has a positive effect on the quality of this program; the experiences we can provide and the rewards the students will reap from their involvement.

Thank you for your support of the Inderkum High School Music Program!

Sincerely,

Shawn Hines and Jemaline Hines
